ROOTED IN CHARACTER EDUCATION

At CSIS, students, parents, and the wider community come together to practice Christian character. We prioritize a character-first approach in all our endeavors. Students and parents are provided guidance, support, and encouragement through a variety of character-building activities and events.

OUR LEARNING COMMUNITY

FLEX

CSIS curriculum includes Formational Learning Experiences (FLEX), allowing students to build character through activities and through authentic learning experiences

Parent School

Through Parent School, parents have the opportunity to cultivate a healthy Christian mindset and learn how to effectively support their students.

Sprout Success Team

Teachers, professionals, and parents collaborate to identify and address academic, behavioral, or social-emotional needs to help students succeed in school.

Close knit

We expect students to foster a family-like culture and community that encourages cross-grade interactions.

OUR VISION

A place where the Father, the Son, and the Holy Spirit are honored by our practices, growth, and products

OUR MISSION

To equip the next generation of global leaders intellectually, emotionally, socially, physically, and spiritually in order to live for Christ and advance His kingdom through Christ-centered education

ADVANCE PLACEMENT & DUAL CREDIT

We offer **16 AP classes** and a **Dual Enrollment** partnership program, providing students with the opportunity to earn college credits and a quicker transition to higher education.

IN WHAT FIELD WILL YOU SERVE THE WORLD?

The school exit ticket serves as a guiding question and call to action for students to think deeply about their purposes in becoming useful agents in God's story.

D	66 - 65	1.0
F	64 - 0	0.0

ENGLISH IS THE MAIN LANGUAGE OF INSTRUCTION

Starting with a solid foundation in general education, our Elementary program sets the stage for lifelong learning. As students move into Secondary, they benefit from a comprehensive curriculum and our unique **Life Designing** approach. In High School, students can focus on tracks such as Arts and Humanities, STEAM (Science, Technology, Engineering, Arts, and Mathematics), Social Science and education, or Business & Communications, equipping them for their future pursuits.
